The background of the entire page is a dark, starry night sky with a crescent moon. A prominent green line graph, resembling a heartbeat or a fluctuating signal, runs across the middle of the page. The word 'revive' is written in a large, metallic, 3D-style font, with the letter 'i' being a small white square. The green line graph passes through the 'i' and the 'v' of 'revive'.

Determination / Azm

Introduction:

'Azm' or 'Determination' has always been the key to self discipline and many people fail in their lives just because they find themselves unable to sustain consistency in their lives. Not having 'azm' means there and your focus is distracting all the time to things other than your goals.

Developing the ability to sustain Azm is to endure success in life. In this small session, we will present to you the following:

- The importance of "Azm" in overall structure of leading this life meaningfully
- The significance of generally keeping commitments
- The correlation between commitments and self-commitment
- Historical and psychological evidences of correlation between 'Ahad' and 'Azm'
- How individuals, groups and nations are destroyed without having this quality in them
- The recipe of increasing Azm.

Objectives:

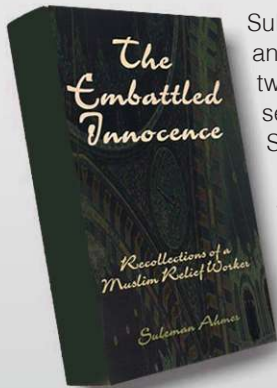

This powerful session can seriously change the way you manage your commitments with others, at your workplace and with yourself and if properly applied, you will surely see a surprising change in your confidence level.

Another critical step towards building a productive nation.

Course Facilitator: Suleman Ahmer

Suleman's interest in the power of visions to **transform** organizations has resulted in consulting work with groups in Pakistan, the UAE and the US. He has consulted with both local and multinational organizations. Suleman has taught the fundamentals of Visions, Leadership and Time Management to **thousands** of individuals in Bahrain, Kuwait, Malaysia, Pakistan, Qatar, Saudi Arabia, the UAE and the US.

Suleman founded Timerunners, Inc. in Chicago in 1999; Timelenders, Inc. in Boston and Karachi in 2002 and Timelenders FZE in the UAE in 2007. Before founding **Timelenders**, Suleman was associated with two Chicago based international relief organizations providing relief to areas affected by wars. He has served in six war zones including Bosnia, Croatia and Chechnya. He has traveled to over 25 countries. Suleman draws inspiration from his international relief experience and his background in research.

Suleman is an engineering graduate of the University of Nebraska and an **award winning** author. His relief experiences are captured in 'The Embattled Innocence' published in the US and Pakistan.

His articles on geopolitics and history have appeared in prestigious magazines in the US such as The Washington Post for Middle East Affairs. He has spoken on these topics at over **40 US universities** including the Harvard University, MIT, Emory, the University of Pennsylvania and Rutgers.

What participants have said about **Timelender's** previous programs:

"This workshop has been an eye opener and will change my methods in negotiations. Through the number of techniques taught in this workshop, I feel I will become more effective in my future negotiations, problem solving and finding wise solutions..."
Muhammad Khalid Ali, CEO - Security Leasing Corporation Limited

"This was really an excellent training and I got to learn a lot from this workshop such as how to reorganize my life based on a clear vision and a purpose and what is the procedure of building a vision and how to reprioritize / align my activities accordingly."
Abdullah Al-Attas, Senior Engineer Audit & Resignation, SABIC, KSA

"Both trainings left a lasting impact on almost all of the 100 persons who went through them..."
