# COURSE OVERVIEW

April 26 - 27, 2019 - Lahore  
9:30 am - 5:00 pm

Digital (= online) Marketing of your Company's Products and Services should be integral part of your overall corporate marketing strategy. 'Digital' encompasses everything from online advertising via i.e. **Google Search Ads and Google Display Ads, Social Media Marketing, eMail Marketing, Affiliate Marketing etc.** all the way to being able to effectively measure the outcome of all online marketing initiatives for their impact on ROI. Many companies contract their Digital Marketing activities out to agencies, hoping that they come up with what's best for the company. In most such cases blind trust is given to the agency, and next to no monitoring or reporting is provided. On the other hand, no one knows the company better than its decision makers.

The course will help you to understand how to maximise online strategies and the performance of your online marketing investments. This practical and hands-on digital marketing course covers key aspects of digital marketing, showing you how to integrate and reach customers and grow revenues.
