

# Per Kristiansen

## LEGO® SERIOUS PLAY® FACILITATOR & MASTER TRAINER

- Per has been global leader for the **LEGO®SERIOUS PLAY®**
- Partner in Trivium a Copenhagen based consultancy, business unit in LEGO®
- Worked as **Chairman of Advisory Board** for LEGO® SERIOUS PLAY®
- Head of Park2Schools and Head of Park2Business at Danfoss Universe, a unique science park, which offers innovation processes to organizations
- Helped companies accelerate change and innovation and worked in Italy, Scandinavia and the UK
- Author of “**Building Better Business with LEGO® SERIOUS PLAY®**” method
- Holds Master’s degree in Intercultural Business

**Pers** specialty is assisting companies in making robust strategies in rapidly changing environments.

Per is deeply rooted in knowledge about mental / cognitive working models (NeuroLeadership) and the LEGO SERIOUS PLAY method. In the latter, he also certifies other facilitators worldwide.

Per is one of the pioneers in creating a “safe space” where the management team can 'play' and create new learning, new knowledge and new paths to success. Per's combination of solid experience in facilitation and extensive knowledge about how the brain works represents a unique capacity for strategy and business development, as well as change and innovation processes.

## What topics does Per Kristiansen speak on?

- LEGO® SERIOUS PLAY® Facilitation & Training
- Strategy development and implementation
- Change & Innovation Processes
- Core values, Core purpose & Vision
