

Course Director: Ben Stevens

Ben Stevens, President of DATA TRAK SYSTEMS Inc, Ontario, a company dedicated to developing and selling products and services focused on training and consulting in equipment reliability and maintenance improvement.

He has been fully involved with the maintenance and reliability business for more than 25 years and has experience in all aspects of Maintenance and Physical Asset Management and CMMs/EAM systems, built on the base of a blend of a post-graduate degree in economics, CFO and CAO positions in several manufacturing companies, entrepreneurial experience in the high tech sector and business development.

His prior experience included **President of Data Trak Systems** - a CMMS Distribution, Sales and Implementation company. He was the Vice President Finance for a number of manufacturing companies. He was a Business Development Manager of Price Waterhouse Coopers, Canada for International Centre of Excellence in Maintenance Management. And was a Senior Associate Consultant at the same company. In addition, he was CFO and CAO of Nanotec Limited and Atomic Energy of Canada Ltd.

He is a frequent speaker at conferences, has chaired the International Maintenance conferences in Dubai on numerous occasions, and has been published in several languages. He is well-known for his work around the world, having delivered many successful workshops over the past twelve years.

He completed long term engagements with a power generation company in Indonesia, a leading steel company in Japan and a resort development company in Bahrain during the time he served as President of OMDEC Inc. Optimal Maintenance Decisions Inc (www.omdec.com) is a spinoff of the CBM (Condition Based Maintenance) Laboratory at the University of Toronto.

“Ben introduced new and innovative techniques for effective utilisation of planning in plant maintenance.”

Pakistan Petroleum Limited

“I learned about the improved maintenance practices that can actually be implemented at my workplace”

Engro Polymer & Chemicals

Workshop by Ben Stevens was a good source of Professional Training. He had put together everything about RCM & work planning in a very logical manner.

MOL

“Practical and relevant! Maintenance tactics and relative calculations were expertly taught by Ben.”

International Power Global Development
